Policy: Accessibility for Ontarians with Disabilities Act, 2005 (AODA)

The goal of AODA is to develop mandatory, province-wide standards to achieve or improve accessibility to people with disabilities. The purpose of this policy is to outline the responsibilities of employees who deal with clients or other third parties on behalf of our company in providing services to people with disabilities.

dentalcorp Health Services ULC. (collectively, “dentalcorp”, “we” or “our”) strives at all times to provide its services in a way that respects the dignity and independence of people with disabilities. We are also committed to giving people with disabilities the same opportunity to access our services and allowing them to benefit from the same services, in the same place and in a similar way as other clients.

POLICY

dentalcorp is committed to excellence in serving all clients including people with disabilities. This commitment is demonstrated in the areas of:

1. **Communication:** We communicate with people with disabilities in ways that take into account their disability. We train our employees who communicate with clients on how to interact and communicate with people with various types of disabilities.
2. **Telephone services:** We are committed to providing fully accessible telephone service to our clients. We train our employees to communicate with clients over the telephone in clear and plain language and to speak clearly and slowly.
3. **Assistive devices:** We are committed to serving people with disabilities who use assistive devices to obtain, use or benefit from our services. Our employees are familiar with various assistive devices that may be used by clients with disabilities while accessing our services.
4. **Billing:** We are committed to providing accessible invoices to all of our clients. Invoices will be provided in alternative format upon request. We will answer any questions clients may have about the content of the invoice in person, by telephone or email.
5. **Use of service animals and support persons:** We are committed to welcoming people with disabilities who are accompanied by a service animal on the parts of our premises that are open to the public and other third parties. We will also ensure that all employees and others dealing with the public are properly trained in how to interact with people with disabilities who are accompanied by a service animal.
6. We are also committed to welcoming people with disabilities who are accompanied by a support person. Any person with a disability who is accompanied by a support person will be allowed to enter

dentalcorp offices with his or her support person. At no time will a person with a disability who is accompanied by a support person be prevented from having access to his or her support person while on our premises.

7. Notice of temporary disruption: dentalcorp will provide clients with notice in the event of a planned or unexpected disruption in the facilities or services usually used by people with disabilities. This notice will include information about the reason for the disruption, its anticipated duration, and a description of alternative facilities or services, if available.

TRAINING

dentalcorp will train all employees and others who deal with the public or other third parties on our behalf. Training will include the following:

1. The purposes of the Accessibility for Ontarians with Disabilities Act, 2005 and the requirements of the client service standard;
2. How to interact and communicate with people with various types of disabilities;
3. How to interact with people with disabilities who use an assistive device or require the assistance of a service animal or a support person;
4. How to learn about the use of various assistive devices;
5. What to do if a person with a disability is having difficulty in accessing dentalcorp services; and
6. Employees will also be trained on an ongoing basis when changes are made to these policies, practices and/or procedures.

Customer Service

dentalcorp and all of our locations in Ontario are committed to excellence in serving all patients with disabilities.

Communication

We will communicate with people with disabilities in ways that take into account their disability. We will train staff who communicate with patients and others on how to interact and communicate with people with various types of disabilities.

Assistive Devices

We are committed to serving people with disabilities who use assistive devices to obtain, to use or benefit from our dental services. We will ensure that our staff members are trained and familiar with various assistive devices that may be used by people with disabilities while accessing our services.

Service Animals

We are committed to welcoming people with disabilities who are accompanied by a guide dog or service animal on the parts of our premises that are open to the public and other third parties, unless the animal is otherwise excluded by law, in which case, steps will be taken to ensure that other measures are available to enable a person with a disability to access dental services. We will also ensure that employees and others dealing with the public directly are properly trained in how to interact with people with disabilities who are accompanied by a guide dog or service animal.

Support Persons

We are committed to welcoming people with disabilities who are accompanied by a support person. Any person with a disability who is accompanied by a support person will be allowed to enter our Practice with his or her support person. At no time will a person with a disability who is accompanied by a support person be prevented from having access to his or her support person while on our premises. Support persons will be asked to agree to maintain privacy and confidentiality of personal information related to the provision of dental care services provided to patients, in accordance with our Privacy Policy.

Notice of Temporary Disruption

If our Practice relies upon particular equipment, devices, facilities or services in order to provide dental services to persons with disabilities. In the event of a planned or unexpected disruption in the use of such equipment, devices, facilities or services, we will provide notice which will include information about the reason for the

disruption, its anticipated duration, and a description of alternative facilities or services, if available. The notice will be placed at all entrances and service counters on our premises. The notice will be given in accordance with requirements under section 5 of the AODA.

Training

We will provide training to all employees, and others who deal with the public or other third parties on our behalf on our Practices and procedures. Training will include the following:

- The purposes of the Accessibility for Ontarians with Disabilities Act, 2005 and the requirements of the regulations and accessibility standards;
- How to interact and communicate with people with various types of disabilities;
- How to interact with people with disabilities who use an assistive device or require the assistance of a service animal or a support person;
- How to use the equipment, devices, services and/or facilities currently available on our premises or through our Practice, if any to help people with disabilities who obtain dental services from our Practice;
- How to locate and implement our Practice’s policies, practices and procedures on accessibility standards;
- What to do if a person with a particular type of disability is having difficulty accessing our dental services;
- How to obtain additional information on assisting people with disabilities, available through Ontario’s Ministry of Economic Development, Employment and Infrastructure website: <http://www.mcass.gov.on.ca/en/mcass/programs/accessibility/index.aspx>
- Training will also be provided to each new employee at a reasonable time upon hire, and if any changes are made to the accessible customer service plan
